CONTROL PROFILE: [] Main Board [] **VENUE / DISPLAY:** _____ **START TIME:** _____
 Ribbon

- **CONTAINER LAYOUT:** Verify button containers match game flow (Pre-Game, In-Game, Prompts, Halftime, Outro).
- **ZONE TARGETING:** Ensure scripts trigger content on correct display zones (Main Board, Ribbon Board, Auxiliary).
- **STAT INTEGRATION:** Confirm DSSI / All Sport interface links are actively feeding live scoreboard data before kickoff.

Event Segment	Preset / Script Button	Target Display Zone	Trigger / Audio Cue	Status / Notes
